

KIDS' CHURCH

Pre-k to 5th Grade |
September 10th to May 26th

Kids' Church runs during church from the sermon to the end of church. Kids start in church and just before the sermon Pastor invites kids to shift to Kids Church if they want. Parents pick up their children after church in the kid's ministry area. This year our theme is: EPIC. *Digging Into Epic Teachings of the Bible* explores the enduring lessons of the Old and New Testaments. Kids build a foundation that guides them in living God's way. With Epic Teachings of the Bible, we will dig into Scripture such as the Fruit of the Spirit, Armor of God, and Psalm 23. Kids discover that the Bible matters and is a loving letter from God who loves them.

Fall Grow Groups

Adult Midweek | Sept. 10th to Nov 19th

The grow group is intended to facilitate the intersection of faith and life. Groups develop stronger relationships to build faith and family. Participating in a grow group expands your faith life with members of your local church family.

Small groups gather in homes to get to know each other, discuss the sermon series and topic of EXPLORE GOD to grow in our own understanding AND increase our ability to answer these questions for those around us. Explore God Discussion Groups are an opportunity for people to come together to ask, consider, and seek credible answers to challenging questions about their beliefs. A discussion group is about having honest conversations in a respectful environment. The goals of Explore God Discussion Groups are to invite questions, create authentic conversation, promote experiential learning, and inspire self-discovery.

Grow In Faith This Fall

September 10th to November 19th

Starting in September we will begin a 10-week sermon series called “Explore God” in which we will explore “The 7 Big Questions”. The USA is 53% unchurched (up from 30% in 2000). More people are moving from apathy to Christianity to antagonistic against them. We as Christ-followers are on the front line. The need for US to give a reason for the hope we have is vital.

GROW. Explore God is a diverse and creative series in which we seek answers, information, and experiences to satisfy the questions we all have about God, faith, religion, and more. Explore God’s purpose is to empower people to explore these important questions through immersive media and intuitive technology not only to answer the questions for ourselves, but to help others answer the questions as well.

SHARE. An Explore God Outreach Initiative is designed to significantly increase the number of people in a given area who explore and share their faith with others. This is accomplished through unified discussion group and sermon series. Through this process, we equip and encourage all of us to engage in healthy spiritual conversations with others.
